The Alpha-1 Foundation (A1F) is committed to finding a cure for Alpha-1 Antitrypsin Deficiency (Alpha-1) and to improving the lives of people affected by Alpha-1 worldwide.

An **Alpha-1 Foundation Education Day** is a chance for Alpha-1 patients, family members, caregivers, & healthcare professionals to:

- ▶ Learn about Alpha-1
- ▶ Meet Alpha-1 experts
- ▶ Connect with the Alpha-1 community
- ▶ Access Alpha-1 Foundation resources

We invite all Alpha-1 patients, family members, caregivers, friends, & healthcare providers, such as infusion nurses, doctors, & respiratory therapists, to attend this event.

Please **avoid wearing perfumes**, colognes, or other scented items. This can trigger a serious asthma attack for some Alphas.

The **meeting rooms may be cold**. We recommend that attendees bring a sweater.
