THE FUTURE OF ALPHA-1 IS YOU

#ALPHA1AWARENESS #A1FVW26

November is Alpha-1 Awareness Month

Every breakthrough begins with someone taking action. During Alpha-1 Awareness Month this November, we're celebrating the people making a difference through this year's theme, **"The Future of Alpha-1 is You."**

The future of Alpha-1 will be shaped by individuals who participate in research, raise funds, advocate for better care, educate their communities, and support A1F's mission. Together, we're building a future with earlier diagnoses, better treatments, and, ultimately, a cure.
